21 "Section 504. Licenses - Board review.

22 (1) The Banking Board, in determining whether to issue

1 an annual license to engage in the business of banking,  
2 shall consider and determine whether the bank applying for  
3 the license has, in its lending and operating practices,  
4 served the needs of the communities in which it maintains  
5 branches or offices.

6 (2) In determining that a bank has served the needs  
7 of the communities in which it maintains branches or  
8 offices, the Banking Board shall consider other factors  
9 customarily examined, and in addition must find that:

10 (a) such bank has used its best efforts to  
11 hire, train, and promote citizens and residents of the  
12 Federated States of Micronesia for executive positions in  
13 the bank, and to maximize the number of such positions  
14 filled by citizens and residents of the Federated States of  
15 Micronesia;

16 (b) the percentage of loans made by such  
17 bank to citizens and residents of, and business entities

15 submit to the Banking Board a written explanation setting  
16 forth causes, factors, or other reasons which prevented the  
17 bank's full compliance. The Banking Board shall consider  
18 such statement and such other information as it may deem  
19 appropriate, and, upon finding that the reasons presented  
20 describe exceptional circumstances beyond the control of  
21 the applicant bank, the Banking Board may still determine  
22 that the bank has served the needs of the communities in  
23 which it maintains branches or offices."
