FISHERIES MANAGEMENT ACT 2002

(Section 101)

FISHERIES MANAGEMENT (PROCESSING AND EXPORT) REGULATIONS 2008

In exercise of the powers contained in section 101 of the Fisheries Management Act 2002, the Minister makes the following Regulations:

PART 1 - PRELIMINARY

1. Citation

These Regulations may be cited as the Fisheries Management (Processing and Export) Regulations 2008.

2. Interpretation

In these Regulations-

(a) the terms and phrases defined in the Fisheries Management Act 2002 shall be given the same meaning in these regulations, unless the context requires otherwise;

(b) unless the context otherwise requires-

“Act” means the Fisheries Management Act 2002;

“Inspector” means a person appointed under regulation 19 of these regulations;

“Codex Alimentarius” means the collection of internationally adopted food standards compiled by the Joint FAO/WHO Food Standards Programme;

“export” means to take or cause to be taken out of the Kingdom of Tonga for commercial or potentially commercial purposes, and includes providing commercial samples, but does not include the export of quantities of less than 20 kilograms in weight for the purpose of domestic consumption;

“General Principles of Food Hygiene” means the Recommended International Code of Practice General Principles of Food Hygiene in the Codex Alimentarius; and

“HACCP” means the Hazard Analysis Critical Control Point system as provided for under the Codex Alimentarius which identifies, evaluates and controls hazards which are significant for food safety.

- (f) comply with the export restrictions on selected species made in the Fisheries Management (Conservation) Regulations 2008.
- (2) Where a HACCP Plan has been prepared by a seafood safety inspector or where other work applicable is incurred, the fee specified in Schedule 2 shall be paid by the licence holder.
- (3) A permit to export fish for domestic purposes shall be subject to –

- (a) any restrictions on export of selected species made in the Fisheries Management (Conservation) Regulations 2008; and
- (b) any other conditions required under the Act.

11. Fish export Log sheet

A holder of a licence to export fish for commercial purposes shall-

- (a) complete the Marine Products Export Log sheet, in Form 2 of Schedule 3, for every day of export of marine product for commercial purposes, including-
 - (i) Licence holder’s name;
 - (ii) Date of export;
 - (iii) Destination;
 - (iv) Scientific or common name of each species to export;
 - (v) Number of fish by species;
 - (vi) Total weight by species; and
- (b) submit all completed Marine Products Log sheets to the Secretary in their original and unaltered form no later than 24 hours after the completion of the day to which the log sheet relates.

12. Fees for export of marine products

All fees for exporting Marine Products Export shall be charged when the Ministry receives stamped packing list from Customs.

PART 4 – EXPORT OF AQUARIUM FISH AND INSPECTOR

13. Application to export aquarium fish

- (1) An application for a licence to export aquarium fish shall be-
 - (a) made in Form 9 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.
- (2) An application to renew a licence to export aquarium fish shall be-
 - (a) made in Form 10 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.

3. Seafood safety standards

The licence holder shall ensure, for the purposes of processing and export, compliance with the food safety standards provisions of the Public Health Act and any other law in the Kingdom.

PART 2 – FISH PROCESSING ESTABLISHMENTS

4. Fish processing establishment certificate

- (1) An application to register a fish processing establishment shall be-
 - (a) made in Form 1 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.
- (2) A certificate of registration for a fish processing establishment shall be issued-
 - (a) in Form 2 of Schedule 1; and
 - (b) upon payment of the fee specified in Schedule 2.

5. Application for a fish processing establishment licence

- (1) An application for a licence to operate a fish processing establishment shall be -
 - (a) made in Form 3 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.
- (2) An application to renew a fish processing establishment licence shall be-
 - (a) made in Form 4 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.
- (3) A licence to operate a fish processing establishment shall be issued-
 - (a) in Form 5 of Schedule 1; and
 - (b) upon payment of the fee specified in Schedule 2.
- (4) The holder of fish processing establishment licence shall ensure that all employees operating under this licence are sufficiently trained in processing and the handling of fish and fish product to enhance the quality.
- (5) The holder of a fish processing establishment licence shall -
 - (a) complete the Fish Processing Log sheet in Form 1 of Schedule 3;
 - (b) submit all completed Fish Processing Log sheets to the Ministry in their original and unaltered form, weekly after the completion of the week to which the log sheet relates; and
 - (c) ensure that the fish processed at such establishment shall not exceed the total quotas allowed to that establishment, including those relating to species and quantity.

PART 3 – EXPORT OF FISH

6. Definition of fish

In this Part, “fish” means any fish processed for the purposes of export.

7. Application for a licence to export fish

- An application for a licence to export fish shall be-
- (a) made in Form 6 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.

8. Renewal of licence to export fish

- An application to renew a licence to export fish shall be-
- (a) made in Form 7 of Schedule 1; and
 - (b) accompanied by the fee specified in Schedule 2.

9. Licence to export fish

- (1) A licence to export fish shall be-
 - (a) issued in Form 8 of Schedule 1;
 - (b) issued upon payment of the fee specified in Schedule 2, and
 - (c) valid for a period of 12 months from the date of issue, unless sooner cancelled or suspended.
- (2) A licence to export fish for commercial purposes shall be accompanied by a valid licence to operate a fish processing establishment.

10. Licence conditions

- (1) A licence to export fish for commercial purposes shall be subject to the following conditions in addition to any other conditions required under the Act –
 - (a) the objectives of the relevant management and development plan;
 - (b) fish products are processed in a licensed fish processing establishment pursuant to an effective HACCP system;
 - (c) the HACCP Plan was prepared and is monitored by a person who received training in the application of HACCP Principles or by a seafood safety inspector;
 - (d) the exporter demonstrating that they can consistently meet the appropriate standards regarding microbial and natural toxin contamination, chemical contamination and physical contamination;
 - (e) every consignment of fish to be exported shall be accompanied by a health certificate which has been prescribed by the Secretary.
