AUDITOR'S REPORT

TO THE TRUSTEES OF THE TONGA TRUST FUNDS GOVERNMENT OF TONGA

I have audited the accompanying Statement of Assets and Liabilities of the Tonga Trust Funds (The Trust) as of 31st March, 1993, and the related Statements of Receipts and Payments, and Income and Expenditure for the year then ended. These Financial Statements are the responsibility of the Treasurer. My responsibility is to express an opinion on these Financial Statements based on my audit.

I conducted my audit in accordance with applicable generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Financial Statements. An audit also includes assessing the accounting principles used and significant estimates made by the Treasurer, as well as evaluating the overall Financial Statement presentation. I believe that my audit provides a reasonable basis for my Opinion.

In my Opinion, the Financial Statements referred to above and set out on Schedules 1 to 4/2 present fairly, in all material respects, the financial position of the Trust as at 31st March, 1993 and the results of its operations and cash flows for the year then ended in conformity with generally accepted accounting principles and the requirements of the Tonga Trust Fund Act (Cap 112).
